To The Robinson Family,
Many thanks for the
exceptional service which I
received as a 1ST time BMW
servicing, of my car.

Appointment time was immediate.
Attentive ^{ness} to all details from
automotive concerns, past vehicle
history, to exceptional car servicing
and even arranging a rental
at fantastic rates.

I am delighted with the car's
performance since its 1ST
service with you!

Looking forward to its
regular maintenance checks
with the Robinson family.

Many thanks
